(laughs)

I must have been crazy  
I think I was being brave  
I think I was Bruce Lee  
I might have been Michael Caine  
So give me something to cover my eyes  
Weakness and distress what am I??  
(Down down down) "A, B, C, D, you're in the belly of  
me"

You eat, you sleep, you breathe something delicious  
You spill, you grip, you squeeze something delicious  
You peel, you strip, you bleed something delicious  
Delicious

I must be confused  
Oh, it's so typical  
Some fleshy temptation  
And the sweetness only improves  
So, give me something to cover my eyes  
Weakness and distress, what am I ???

(Down down down) "tree to fruit, apple to seed, you are  
the A in adam and eve"

You eat, you sleep, you breathe something delicious  
You spill, you grip, you squeeze something delicious  
You peel, you strip, you bleed something delicious  
Delicious, something delicious

Give all your hope to me..  
"tree to fruit, apple to seed".  
Make all your love to me

(SOLO)

You eat, you sleep, you breathe something delicious  
You spill, you grip, you squeeze something delicious  
You say you think you are something delicious  
Something delicious, something delicious  
You say you think you hold something delicious

So, save some of your hope for me

(piano outro)

"was it as good for you as it was for me?"

I'm in the belly, in the belly, in the belly
