sleep, don't weep  
throw your arms together  
slide, don't lie  
we always stick together

start the day  
in a cold december way  
feel what's new  
it's december through and through

ma solituda sinks confusion  
ma solituda sinks confusion  
I fell down

sleep, don't weep  
throw your arms together  
slide, don't lie  
we always stick together

start the day in a cold december way  
end this day in a stream of celebration

ma solituda sinks confusion  
ma solituda sinks confusion  
I fell down  
I fell down  
december never ends, december

ma solituda sinks confusion  
ma solituda sinks confusion  
ma solituda sinks confusion  
I fell down  
I fell down
