Mary sticks her tongue out, it's a sign  
Two fingers is a magical state  
And she promised me she'd show me why  
I don't think I can wait

Hey, hey, hey, hey, show me Mary  
How does it go? Show me Mary  
Show me Mary

This flower is a living cusp, but how it kills  
Infectious beyond all that's fair  
And if I succumbed while standing here  
Would you really care?

How does it work? Show me Mary  
Yeah, yeah, yeah, yeah, show me Mary  
Show me Mary

Mary took a dive when it suited her most  
No surprise you are sucked you construct for yourself  
Or are you really someone else?  
Breezing through somebody's hell  
Purifying as you go

No, no, no, no, show me Mary  
Where have you been? Show me Mary  
Show me Mary  
Show me Mary  
Show me Mary  
Show me Mary  
Show me Mary  
Show me Mary
