Catherine Zeta-Jones: Place your hand (Can't you feel
me so close beside?)
Over mine (Don't wanna be so far away)
And seal this bond (Now and forever)
For all time

Somewhere deep in my mind
Is a subconscious fear
The mists of time
Are drawing so near
Still you light up my darkest hour
With a love so strong

We've laughed
We've cried
Together
All along

Place your hand (Can't you feel me so close beside?)
Over mine (Don't wanna be so far away)
And seal this bond (Now and forever)
For all time

Place your hand (Can't you feel me so close beside?)
Over mine (Don't wanna be so far away)
And seal this bond (Now and forever)
For all time

With the tears of the past
Still wet on my lips
I wonder how long
These feelings will last
But the fire that's burning inside
Is all that I need

To know that you are near
Right beside me

Place your hand (Can't you feel me so close beside?)
Over mine (Don't wanna be so far away)
And seal this bond (Now and forever)

For all time

Place your hand (Can't you feel me so close beside?)
Over mine (Don't wanna be so far away)
And seal this bond (Now and forever)
For all time

There were some times I questioned you
Right or wrong, who knows?
And the answers, they still hold true
Our love will stand the test of time
The only real one of its kind
For all time

If my spirit was free...
(Time)
(Can't you feel me so close beside?)
(Don't wanna be so far away)
(Now and forever)
(Time)

Place your hand (Can't you feel me so close beside?)
Over mine (Don't wanna be so far away)
And seal this bond (Now and forever)
For all time

Place your hand (Can't you feel me so close beside?)
Over mine (Don't wanna be so far away)
And seal this bond (Now and forever)
For all time
