Paradise, paradise

Well, here we are tonight
To think, we've lost this paradise
And still, never know what for
How could you love me more
Well, the answer was with me

My paradise lost
I found
The moment I saw you, I knew that
Paradise lost
You'd stay
Whatever the cost I would pay for paradise lost
To have you here with me

I never shed a tear, no
Though all the time I cried inside
My love, the writing's on the wall
You only had to call
And I knew that I'd be there
My paradise--oh! My paradise lost
I found
The moment I saw you, I knew that
Paradise lost
You'd stay
Whatever the cost I would pay for paradise lost
To have you here with me

Lost
To have you here with me
My paradise lost
To have you here with me

My paradise lost
My love, the writing's on the wall
You only had to call
And I knew that I'd be there

My paradise lost
I found

The moment I saw you I knew that
Paradise lost
You'd stay
Whatever the cost I'd pay for paradise lost
I found
The moment I saw you I knew that
Paradise lost
You'd stay
Whatever the cost I would pay for paradise lost
To have you here with me

(Paradise, paradise)
(Paradise, paradise)
