Sippin' J.D. at the bar, holdin' the cannon

My niggaz get wild like that, yo we don't even
Like to smile like that, c'mon I'm takin' it to trial like that
Catch me chillin' at the VIP's
All the bitches like pointin' at me, you know it's me,

Put it out and let the DJ's burn it out

As soon as, the needle drop, it got your crew bouncin'
Beatnuts, feelin' this, through the 2000

Rapin' loops innocently, cop anything
Produced by me, and win instantly, yo
