"Mmm yeah, I bet you're dying to take out your cock
and fuck me,
aren't you? (Mmm hmm) Don't you wanna fuck me?
(Mmm hmm)
But first..."

[Fashion]
Aight, and away we go
You got the World Famous Kool with the smooth-ass
flow
Speaking about what I get with or stick on the reg
Got you running round in circles fiending for the third
leg
But baby don't you go yet, cause you ain't really strong
You haven't even had a taste of the fucking tongue
I say "motherfucker" cause your mommy was a victim
Your cousins, sisters, aunts, oh yeah I licked em
I tricked em and they all come back for the treats
But I don't eat the cake before I frost the feats
And you get weak like S W to the V
Soaking wet victim in between my J sheets
And ain't no freak could lick you up and down better
Even if his tongue was silk, he couldn't get you wetter
Find space on my face, give me all that you got
So I can get up close and kiss that pretty twat

The Kool the kinky dude on the streets after dark
I fish for meats so I can eat like a shark
Get hit on by jailbait but pay it no mind
I never ate a dish a day before its time
Now why the brothers in my fucking town are fucking
blue
Cause before I knock the boots I want to lick the shoes

Get dirt on my chin, still puffing a bunch of smoke
She screaming shoot her cream, right down my fucking
throat, nope
I never let a dark honey just pass
I just slam my face in that fat Onyx ass, asked
The chick for 69 or 61
That's when I bust a nut but the bitch never cums, hum
mmmm mmmmm

I gots to have it cause my tongue wants to
Keep her going like that fucking rabbit, just grab it
But say no and I won't be pushy
Just make me change your mind, so I can lick your

My lips are suction cups in a fucking fat disguise
Rise up off the bed in a twist
I make your head spin like the fucking Exorcist
Miss Mary Jane, you blow for a change, c'mon
Act insane and suck out my damn brains, the main
Vein is up for spring cleaning
Trick licking on my balls, yeah now you got me fiending
I'm dreaming, I'm in the cemetary sucking breasts
I pet the clit and put the pussy to rest
I might not flow like Fat Joe but I'm cool
Fucking third of the trio, a pussy eating fool
Dripping out my mouth baby
