[riley singing]

1999

Beatnuts, dead prez

Chorus:

Everytime i look around, i see so much drama goin  
down

Everytime i look around, i see sp much fakeness goin  
down

[stic.man]

Why i'ma, be stingy when i can share

Why i'ma, be hateful if i could care

Why would i hate my own, and forsake my home

Why would i fuck around and get a jake my chrome

I wouldn't have to stick you if we all could eat

It wouldn't be no need for beef, dyin over streets

We don't even own anyway, you could get bucked off  
any day

We behind enemy lines, y'all still writin hennessy rhymes

While i'm tryin to get a good price for a nine

Feel like my life on the line

That's why a nigga be hype all the time

Ready for the revolution at the drop of a dime

[m1]

I got a duty to have security for my niggas

A duty to serve the beautiful black sisters

A duty tom stand wit anybody that's wit us

And fully criticize all bullshitters

There should be awards presented, to niggas who fight  
back

Like panther jackets, or sisters who like gats

I'm a full blooded warrior, ready for change

Recognize any soldier that's doin the same

Because i love who i am, and that means everything to  
me

My life aint worth a damn unless i'm dealin with reality

When i look myself in the eyes it's just me

And i aint gotta tell nobody no lies i feel free

And i would rather deal with the truth than falsehood

Than bein fake with my people and claimin it's all good  
You can't run away from yourself so that's useless  
If your word is bond then you don't have to make  
excuses

Chorus

[juju]

Yo as i sit and contemplate about the fate of my kids  
If i die is the state gon snatch up my kids?  
City life, no choice but to live by the knife  
Put food on the table at whatever the price  
My beautiful wife, all the time cookin precise  
When there aint no meat, she bless me with the eggs  
and the rice  
Never think twice, i love you for the rest of my life  
That's why i taught you how to shoot when situations  
get trife  
Save the children from the evil that we smell in the air  
Used to bein happy, now the feelin is rare  
I'ma soldier in the struggle just tryin to prepare  
Cuz when the revolution comes it aint gon be fair

[psycho les]

Yo it's the beatnuts, dead prez, we connect like tetris  
And we comin at the world on some high connections  
So turn it up, so we can drop these gems quick  
If you on some bullshit, then nigga get the ?eggs split?  
There's enough cash, grass, and ass here for you and  
me  
You wanna be greedy, sayin fuck the community  
Watch out cuz life's gonna change very soon you see  
I really don't believe we could ever have unity  
This shit is serious we all tryin to have a milli stash  
But love life cuz that's all a nigga really has  
Love your fam, cuz that's all you really have  
And handle your biz and stop bein a silly ass  
Ayo it's gettin, gettin, it's gettin, gettin it's gettin kinda  
hectic  
Starch burns, so naturally thugs learn to stay vested  
You need to learn what psycho les said  
So treat others the same way if you wanna be  
respected
