[Psycho Les]

Man you lashed out
Cause me and my niggaz throwing rocks at your glass
house
Put the trash out we coming to crash out
Become a norious style pulling mats out
Why you playin now I'ma put the flame on you
Ju got the canyon, Les the grenade launcher
I blaze ghanga like Jamaicans in Kingston
And shit on you and leave you stinkin
Light a match

U don't want it don't want it

[Big Ju]

I don't love hos who catch me on the Ave with a snub
nose
Late night ridin a bike watchin for po po
At a red light right in plain sight
On a summer on the low on the dead night
Y'all niggaz don't want it with us
And they ain't really shit to discuss
All that shit you be spittin, it's us
Step to you with the steel out
Juju ain't the type of cat you wanna feel out

[Chorus - Triple Seis]

It's all you you can hate if you want (u don't want it)
Beatnuts keep blazing the blunts (u don't want it)
And beats banging the truck (u don't want it)
Gettin money worldwide we provide them up front (u
don't want it)
All you women in the club we know what you want (u
don't want it)

[Pyscho Les]

Catch you with the cross bow
Right through your torso
What you said (nuttin) thought so
Pass by your crib ridin a horse slow
Just checkin out the negocio

Time to collect from the inner streets belly
Nigga wanna come short like Joe Pesci
Before I wack em I crack a cold pepsi
Click back all leave the space messy

[Big Ju]
Blowin guns like Jesse
Pulled my glock out who wanna test me
I feel like the devil just possessed me
Burn more weed, I'm moving at hyper speed
Always carry two knives with me
For y'all niggaz who be t
