"As I Please"

You don't guess my name.
But I've come to rearrange.
Gotta put yourself at ease.
I do exactly as I please.

You don't guess my name.
But I've come to rearrange.
Gotta put yourself at ease.
I do exactly as I please.

And I know you can be whole,
and I know you can be whole
Now put yourself at ease
I do exactly as I please.

So don't you ever forget that,
forget that, forget that,
forget that, forget that
forget that.

Listen it up and take the town.
Forget about the circus.
Listen it up and fake the crown and bounce around the
circus.

Listen it up and take the town.
Forget about the circus.
Listen it up and fake the crown and bounce around the
circus.

Listen to the ones, who drive you home.
Listen to the ones, who drive you home.
Listen to the ones, who drive you home.
Now you guess my name.
Why I've come to rearrange.
Gotta put yourself at ease
I do exactly as I please.

So don't you ever forget that.
So don't you ever forget that.
