You think you don't sync
With the world, am I right?
It's not because of your
Behavior, right?

So I'm not gonna wear your shirt
I'm not gonna wear your shirt

I'm not gonna do it
You think that something
Must break because of you
Just for you, to make you feel
Comfortable, right?

But I'm not gonna wear your shirt
I'm not gonna wear your shirt
I'm not gonna wear your shirt
I'm not gonna wear your shirt

I'm not gonna wear your shirt
I'm not gonna wear your shirt
I'm not gonna wear your shirt
I'm not gonna wear your shirt
I'm not gonna wear your shirt
I'm not gonna wear your shirt
I'm not gonna wear your shirt
I'm not gonna wear your shirt

I'm not gonna wear your shirt
I'm not gonna wear your shirt
I'm not gonna wear your shirt
