i'll take care of you
i'm your one and all
we belong together baby
whenever i call
grab my fingers
grab my hand
grab everything you can cause
i'm the the best friend
i'll take care of you
i'm your one and all
we belong together baby
whenever i call
grab my fingers
grab my hand
grab everything you can cause
i'm the the best friend you ever had
are you happy now
c'mon play that game and bring me down
are you happy now
i know you and i'm not your clown
i don't know what you're talking about
but i know what's good for you
hey now i'll give you everything and tomorrow you'll get
the rest
grab my fingers
grab my hand
grab everything you can cause
i'm the the best friend you ever had
are you happy now
c'mon play that game and bring me down
are you happy now
