and i don't care as long as you sing
and i don't care as long as we swing
and i don't care as long as you sing
i get everything right and i want you to
get everything right
i'm not playing rude
i get everything right
get up and swing
you make me sing
so here we go it doesn't pay
and you protect me no more
when i get up i break it down
i'll double back and for sure
i go back to zero
get up
i swallow a lot if the pressure is up
and the feeling i've got
is i'm not gonna stop
we are back in the early morning
back in the early morning
so here we go it doesn't pay
and you protect me no more
when i get up i break it down
i'll double back and for sure
i go back to zero
so here we go it doesn't pay
and you protect me no more
when i get up i break it down
i'll double back and for sure
i go back to zero
and i don't care as long as you sing
and i don't care as long as we swing
and i don't care as long as you sing
get up
so here we go it doesn't pay
and you protect me no more
when i get up i break it down
i'll double back and for sure
i go back to zero
so here we go it doesn't pay
and you protect me no more
when i get up i break it down

i'll double back and for sure
i go back to zero
i get everything right and i want you to
get everything right
i'm not playing rude
i get everything right
get up and swing
