all the people say have a nice day  
what they mean man i don't care  
what they say don't wanna hear it no more  
it's just a trick to keep me out of the door

i don't need it  
i don't want it  
i don't feel it

they try to keep me in their line  
they just want me to do it fucking fine  
all i wanna say is fuck you all  
i am not your stupid doll

i don't need it  
i don't want it  
i don't feel it  
don't wanna have it

i don't need it  
i don't want it  
i don't feel it
