so kick it, so kick it
oh oh you've got it
so kick it, so kick it
oh oh you've got it
so kick it, so kick it
oh oh you've got it
so kick it, so kick it
oh oh you've got it

don't turn around you're driving now
it's all allowed and double-checked
make every second of it count
and then you take her out
and then you rise above
you're gonna make it up
and then you take her away

so, so, so
so kick it, so kick it
oh oh you've got it
so kick it, so kick it
oh oh you've got it
so kick it, so kick it
oh oh you've got it
so kick it, so kick it
oh oh you've got it

her name in blood across the heart
you linger her
she falls apart
into your arms
and then you take her out
and then you rise above
you're gonna make it up
and then you take her away
turn into
turn into
she will turn into
turn into
she'll turn you into a monster
monster
oh oh you've got it

monster monster
oh oh you've got it

so kick it, so kick it
oh oh you've got it
so kick it, so kick it
oh oh whow whow whow
