i quit this conversation  
you're right and i am done  
i think you make yourself a victim  
there's nothing good enough

there's only one  
colour deep grey and a bitter taste  
you don't know you don't know  
you don't know what's there if you don't try

shut up stand up  
you drive me up the wall  
shut up stand up

shut up stand up  
i heard it all before  
shut up stand up

i quit this conversation  
you don't let your feelings show  
i don't know i don't know  
i don't know what you got inside

shut up stand up  
you drive me up the wall  
shut up stand up

shut up stand up  
i heard it all before  
shut up stand up

by the way i wanna have a good time with you  
it's friday night and i wanna go out  
i need some air and a place to go  
So won't you please  
shut the fuck up

shut up stand up  
you drive me up the wall  
shut up stand up

shut up stand up

i heard it all before  
shut up stand up

shut up stand up  
shut up stand up  
shut up stand up  
shut up stand up
