"To Be Strong"

Waiting here in line
trying to get the bullshit off my mind
time is on my side
I'm not here to hide

I need to breath
and I'm not scared
but I don't know how it is
but I don't know how it is
to be strong
to be strong

It feels like this
far too long
trying to get the pressure out
in this song
so here I am
on my own
with my back on the wall
with my back on the wall

to be strong

Waiting here in line
trying to get the bullshit off my mind
time is on my side
I'm not here to hide

so here I am
on my own
with my back on the wall
with my back on the wall

to be strong
