[Originally by Steve Miller Band]

I ain't complaining  
But I'd sure like to find me  
A true, fine love  
Someone another  
That's as sweet as your mother  
A true, fine love

Cause the time is right  
For walking in the moonlight  
I have suddenly found I'm ready to settle down  
So come on get your rocks off  
I'm gonna knock your socks off

You'll see, oh yeah  
So come on pretty baby  
We're going to raise a family

There'll be no hesitation  
Cause I'm so tired of waiting  
For a true, fine love  
Someone another  
Like a sister or brother  
A true, fine love

Cause the time is right  
For walking in the moonlight  
I have suddenly found I'm ready to settle down  
So come on get your rocks off  
I'm gonna knock your socks off

You'll see, oh yeah  
So come on pretty baby  
We're gonna raise a family

Well I ain't complaining  
But I'd sure like to find me  
A true, fine love  
Someone another  
That's as sweet as your mother

A true, fine love

Cause the time is right  
For walking in the moonlight  
I have suddenly found I'm ready to settle down  
Well have a boy for you, well have a girl for me  
Come on baby raise a family

So come on get your socks off  
I'm gonna knock your rocks off
