You really let the family down
You almost ruined their name
Your father's so disappointed
Your sister feels the same

and now the neighbors are talking
eyes down underneath their breathe
your mother I swear you've done this
She says she's got nothing left

Why can't you just be normal
Another link in the chain
I pull you away like your father
Not likely were not the same

Chorus

'Cuz were poor innocent boys
poor poor
Innocent boys
poor innocent boys

poor poor
Innocent boys
poor innocent boys
poor poor
Innocent boys
poor innocent boys
A tribulation radio station boy

Do you notice something missing
When the kids at play
Turn to be the doorman x
Set it up and play
All I've got is vices knocking at my door
All the angry taxman asking me for more
I've got something to say
All in a matter of time
Please don't get in my way
'Cuz everything is mine.

*Chorus*x2
