I seen Beyoncé
At burger king
I seen Beyoncé
At Burger King
I seen Beyoncé
At Burger King
And she
Was eatin'
She was eatin'
She was eatin'
She was eatin'

I seen Beyoncé
At Burger King
I seen Beyoncé
At Burger King
I seen Beyoncé
At Burger King
And she
Was eatin'
She was eatin'
She was eatin'

Yeah
i seen Beyoncé
At Burger King
She ordered
Two cheese burgers
With onion rings
She got
A chocolate shake
And a side
Of fries
Chicken strips
With apple pies

I seen Beyoncé
At burger king
She ordered
Two cheese burgers
With onion rings
She got

A chocolate shake
And a side of fries
And she look dead
In my eyes
And she says

Can a borrow
Ten dolla's
A left ma purse
In the car
In the car
It's bout
3 blocks away
And baby
That's just
Too far
Too far

Ok
But you
Gotta pay me
Back
If you borrow
And have
My 10 dolla's
When i see you
Tomorrow
No actin' funny
She said caz
Would i lie
To you?
then she smiled
And snatched
My money

I seen BeyoncÃ©
At Burger King
I seen BeyoncÃ©
At Burger King
I seen BeyoncÃ©
At Burger King
And
She was eatin'
(She was what?)
She was eatin'
(Oh)

I seen BeyoncÃ©
At Burger King
I seen BeyoncÃ©
At Burger King

I seen Beyoncã©
At Burger King
And she
Was eatin'
(She was what?)
She was eatin'
(Oh)

I seen Beyoncã©
At JC Penny
She rolled up
In a 94' chevvy
She screached
Into
The handicappa
Applyin chapstick
With her B phone
In her lap
She says
Can you
Watch my car?
I gotta run in
And buy a quick
Sumthin' for me
And my man
I said i can
But you
Still owe me
Ten duckits
She rolled
Her eyes
And says
Fuck it

I said

I seen Beyoncã©
At Burger King
I seen Beyoncã©
At Burger King
I seen Beyoncã©
At Burger King
And
She was eatin'
(She was what?)
She was eatin'
(Oh)

I seen Beyoncã©
At Burger King
I seen Beyoncã©

At Burger King
I seen BeyoncÃ©
At Burger King
And
She was eatin'
(She was what?)
She was eatin'
(Oh)

I seen BeyoncÃ©
At the
Liquor store
She completely
Ignored me
Walkin'
Thru the door
She had her
Freakum
Dress on
From the house
Of derÃ©on
She was
Pattin' her
Weave ladies
With her palm
She was
Lookin' round
For some
Customer service
I walked up
To her made her
Security nervous
She said
How much
For a case
Of beer?
I said girl
Are you drunk?!
I don't work here

I seen BeyoncÃ©
At Burger King
I seen BeyoncÃ©
At Burger King
I seen BeyoncÃ©
At Burger King
And
She was eatin'
(She was what?)
She was eatin'
(Oh)

I seen BeyoncÃ©
At Burger King
I seen BeyoncÃ©
At Burger King
I seen BeyoncÃ©
At Burger King
And
She was eatin'
(She was what?)
She was eatin'
(Oh)

I seen BeyoncÃ©
At Burger King
I seen BeyoncÃ©
At Burger King
I seen BeyoncÃ©
At Burger King
And
She was eatin'
(She was what?)
She was eatin'
(Oh)

I seen BeyoncÃ©
At Burger King
I seen BeyoncÃ©
At Burger King
I seen BeyoncÃ©
At Burger King
And
She was eatin'
(she was what?)
She was eatin'
(Oh)

She was eatin'
