[Chorus]

Meet me at the ice cream truck  
I'll be you an ice cream  
I'll whip out my drumstick  
that will make your eyes gleam  
lick it up quick before it melts on the floor  
I got it!  
uno-dos-tres-quatro gimme some more OK!  
Meet me at the ice cream truck  
I'll buy you an ice cream  
I can test out my luck  
you can play on my team  
let's do the banana split  
on the dance floor Got it!  
uno-dos-tres-quatro gimme some more OK!

Relax take it easy

watermelon icy
