Take me to your mama's for dinner,
Take me to your mama's for rice and beans,
Take me to your mama's for dinner,
When I show up twice she'll know what that means.

Take me to your mama's for dinner,
Take me to your mama's for rice and beans,
Take me to your mama's for dinner,
When I show up twice she'll know what that means.

Hola, Amigo,
Pollo con sofrito,
Blowin' up my libido,
Explodin' my torpedo,
Take me to 191 & St. Nicholas,
You got it ridiculous,
HAHA - Watch out, I'm ticklish.

Toss your ensalada,
Stuff your empinada,
I like a big umbrella on my Pina Colada,
With Jorge, Ricardo, Cesar, Eduardo,
Let's make the sweat drip on el piso majado.

Take me to your mama's for dinner,
Take me to your mama's for rice and beans,
Take me to your mama's for dinner,
When I show up twice she'll know what that means.

Take me to your mama's for dinner,
Take me to your mama's for rice and beans,
Take me to your mama's for dinner,
When I show up twice she'll know what that means.

Hola, Amigo,
Pollo son soy frio,
Blowin' up my libido,
Explodin' my torpedo,
If I knew how to get you out of those jeans,
We'd be ripping the seams,
From Spanish Harlem to Queens,
Bass drums I got it,

Condoms I brought it,
My *\$*! I Shot it,
Your the host,
With the most,
We got dos platanos,
We're spreading muslos,
Like it's butter on toast.

Take me to your mama's for dinner,
(Alright, I'm ready)
Take me to your mama's for rices and beans,
(Know what I mean),
Take me to your mama's for dinner,
(Alight I'm ready),
When I show up twice she'll know what that means,
(So what's it mean?)

Take me to your mama's for dinner,
(Alright, I'm ready)
Take me to your mama's for rices and beans,
(Know what I mean),
Take me to your mama's for dinner,
(Alight I'm ready),
When I show up twice she'll know what that means,
(So what's it mean?)
