Hey, girl, I've got  
To tell you something  
Something you should know

You're the honey  
In my sweet life  
And I ought to let it show

When I think  
About the good times  
That I had with you  
And when I'm feeling  
The way I'm feeling

I find that I've  
Got to let you know  
I've got to let you know

[CHORUS]  
I love you, baby  
I need you, baby  
I want you, baby  
Let's live together  
I love you, baby  
I'm speaking, baby  
Say, come on, baby  
Let's live together

Little girl  
Let me tell you something  
That's been on my mind

You are the sun and  
The spring in my life  
And I'm gonna let it shine

When I think about the happiness  
That came along with you  
When you got me feeling  
Like this, baby

I've got to let you know

I've got to let you know

[Repeat CHORUS 2x]

I said I want you, baby  
And I need you, baby  
I said I love you, baby  
Woo, let's live together

Sunshine or stormy weather  
I love you, baby  
I'm speaking, baby  
Say, come on, baby  
Let's live together
