I hate to say it but I told you so, don't mind my
preachin' to you
I said "don't trust 'em, baby" now you know
You don't know ev'rything there is to know in school.
Wouldn't believe me when I gave advice, I said that he
was a tease
If you want help you better ask me now
So be sincere, convince me with a "pretty please"

Laugh, laugh, I thought I'd die
It seemed so funny to me
Laugh, laugh you met a guy who taught you how it
feels to be
Lonely, oh so lonely

Don't think I'm bein' funny when I say you got just what
you deserve
I can't help feeling you found out today
You thought you were too good you got a lot of nerve

Won't say I'm sorry for the things I said. I'm glad he
packed up to go
You kept on braggin' he was yours instead
Found you don't know ev'rything there is to know

Laugh, laugh, I thought I'd die
It seemed so funny to me
Laugh, laugh you met a guy who taught you how it
feels to be
Lonely, oh so lonely

Before I go I got to say one thing, don't close your ears
to me
Take my advice and you find out that he
Is just another guy who'll cause you misery
Don't say you can't get any boy to call, do be so smug
or else
You'll find you can't get any boy a'tall
You'll wind up an old lady sittin' on the shelf.

Laugh, laugh, I thought I'd die
It seemed so funny to me

Laugh, laugh you met a guy who taught you how it
feels to be
Lonely, oh so lonely

Lonely, oh so lonely
