Everybody's going out and having fun
I'm just a fool for staying home and having none
I can't get over how you set me free, oh lonesome me

A bad mistake that I'm made just hanging round
I know that I should have some fun and face the town
A lovesick fool, I'm blind and just can't see, oh
lonesome me

I'll know she's not like me, she's out and fancy free
Flirtin' with the boys with all her charms
But I still love her so and brother don't you know
I'd welcome her right back here in my arms

Well there must be some way I can find to lose these
blues
Forget about the past and find somebody new
I've thought of everything from A to Z, oh lonesome me

I'll know she's not like me, out and fancy free
Flirtin' with the boys with all her charms
But I still love her so and brother don't you know
I'd welcome her right back here in my arms

Well there must be some way I can find to lose these
blues
Forget about the past and find somebody new
I've thought of everything from A to Z, oh lonesome me
Oh lonesome me, oh lonesome me, oh yeah
