show respect

Fellas I know your mother taught u better than that  
If u want my number learn how to treat a woman  
Cause boy I'm classy boy not trashy  
Thinking they can fool me with them lame old lines  
They must be mistaken so they should'nteven try  
Asking me out just be wastin their time cause  
Boy I'm classy boy not trashy  
Thinkin they can fool me with them lame old lines  
They must be mistaken so they should'nteven try  
Asking me out was just be wasting their time  
Cause, boy I'm classy, not trashy

Chillin at the club with my girls lookin fly  
When we walk up through the crowd  
Heads are turning to the side  
Yes, we stay FRESH PLUS I'm WEARIN MY freakum  
dress  
We not no rollers but some divas, want somebody who  
can keep us  
Tired of boys grabbin, tellin, approaching me wrong  
Lookin at my body thinkin they takin me home  
Let this be a lesson: try to make a good impression  
From a girls prespective this is how I feel
