Now were back together and it is so sweet
Steady lovin' like we should
When we broke up it made me so so mad
Got back together 'cuz we could

Now u know, how it feels, and now

Chorus

I'm not hurt
I'm not smashed
I'm not part of the crashed

I'm not thrown
I'm not crushed
I'm not left out in the rushed

Was a heck of a night when we decided
To be back together again
'Twas a fine fine day
Yeah oh

Now u know, how it feels, and now

Chorus

Oooooohhhh
