It Used To Be Like
A Movie Every Week
Every Month The Sushi Bar
It Was So Great
But Then We Broke Up
Now I'm Left Out In The Dark

Do U Know How It Feels
To Be Hurt To Be Smashed
To Be Part Of The Crashed
To Be Thrown To Be Crused
To Be Left Out In The Rushed

Now Were Back Together
And It's So So Sweet
Goin' Steady Cause We Should
When We Broke It Made
Me So So Mad
Got Back Together Cause We Should

Now I am Not
Hurt Smashed
Part Of The Crashed
Thrown Crushed
Left Out In The Rushed
