What goes up, must come down,
Yet my feet don't touch the ground,
See the world spinning upside down.
A mighty crash without a sound.

i can feel you every rage,step aside i'll turn the page.
breaking through your crazy maze.
like a laser beam my eyes on you.

watch me blow the night away.[and]
watch me save the day.
feels like a storm;s getting close.[that;s]

headed your way.

sonic heroes.
sonic heroes.

what you can't find you can find in your friends.

sonic heroes.
sonic heroes.

setting the stage for a hero's parade.

sonic heroes.
heroes.
heroes.

give us a reason and we're on our way
