Girl like you  
Girl like you  
It's Friday night & I'm feeling good  
Just cruisin' in my ride  
Now everybody's just kickin back  
Gonna have some fun tonight  
You've got me going baby  
Gotta make you mine  
You got me going crazy  
I wanna love ya, I wanna treat you  
Right  
CHORUS  
I don't mind waiting, for a girl  
Like you  
I'll spend my time waiting for a girl  
Like you  
Now that I know just where I stand  
I don't wanna waste your time  
But wait a minute gotta let you know  
Hoe you're blowin' my mind  
You're such a sexy lady  
There's no one like you  
If you were my baby  
I'll show ya lovin, I'll make ya feel  
Real good  
Chorus x 2  
I know it's crazy, but I ain't giving  
Up  
The fight for your love  
Now I don't mind waiting cause  
You're on my mind  
You're in my heart, you're in my heart  
Chorus until end
