Wanna see you with it
Sure could treat you right
Give me just a minute of your time tonight
We are both here to have big fun
So let it whip

I know you're into groovin'
Love your body language
Baby let me know
You got me sort of anxious
We are both here to have big fun
So let it whip

CHORUS

So let it whip
Let's whip it baby child
Let's whip it right
Let it whip
Let's whip it baby
Whip it all night
No torture trip
Oh no child
Come on, let it whip

Now that you can see hoe you groove with me
What else can I do to get closer to you
We are both here to have big fun
So let it whip
We've got a mutual feeling, obviously revealing
Let me be your paper man
I love to be at your command
We are both here to have big fun
So let it whip

CHORUS X 2

BRIDGE

There's no time to lose
You're the one I choose

You're so right
You're the one I choose
I only wanna be with you
You're the one for me
Can't you see that
I won't waste your time
I see something divine in you, yes I do

CHORUS X 2

REPEAT BRIDGE

Baby take a ride to the other side, c'mon
Baby take a ride to the other side, c'mon
Rock me baby, rock baby
Rock me baby
Rock me baby, all right
All right, all right, all right

REPEAT CHORUS TO FADE
