(Chorus)

When you're love is gone

When you love is gone

That's where you belong

When you're love is gone

(Verse 1)

Well maybe I'm fallen in love my darlin,

Or, maybe I'm losin my mind

But I see you with him and I'm gone my darlin

I wish it were me by your side

(Hook 1)

But there's no way of knowin, the way love was goin

Till he hurt you and walked out your door

Don't you cry, my darlin

Don't you cry, my love will find a way

(Chorus)

When your love is gone (i'll be right here)

When your love is gone

That's where you belong (right here with me)

When your love is gone

(Verse 2)

I know that your heart lies with him my darlin

But I can't help but be where you are

There's so many things I wanna tell you my darlin

But I'll just have to love from afar

(hook 2)

So the love of your life

Didn't turn out so right

When he hurt you and walked out your door

Don't you cry, my darlin

Don't you cry, my love will find a way

(Chorus X 2)

When your love is gone (yeah,yeah), I'll be right here

When your love is gone

That's where you belong, right here with me

When your love is gone

(Hook 2)

So the love of your life

Didn't turn out so right

When he hurt you and walked out your door

Don't you cry, my darlin

Don't you cry, my love will find a way

(Chorus til end)

When your love is gone (yeah,yeah), I'll be right here

When your love is gone, yeah i'll

That's where you belong, right here with me

When your love is gone
