CHORUS:

Every night before I lay  
If you wasn't laying beside me  
Then I would pray to  
See your face the very next day  
Cause you drive me crazy  
Every night before I lay  
If you wasn't laying beside me  
Then I would pray to  
See your face the very next day  
Cause you are my baby  
(CeCe)  
Won't you listen now  
Your eyes, your style,  
Your moves, your smile,  
Oooh you got me open for a while  
I can explain what you do to me  
Boy you're drivin' me insane  
Can you recall the spell you put me under  
Didn't have time to wonder  
Where do we go from here?  
That's the only thing that I fear  
And I love you, boy

CHORUS

(JoJo)

You've got me goin'  
In circles and around and 'round  
But I won't give up on you, no  
Because you're what makes me happy  
No no no no I'll never  
Give up on you, I'll treasure  
Every little thing that you do  
Girl I really love you

CHORUS

You've got me open on your love  
Can't live without you  
And you're all I'm dreamin' of  
And yes it's only you  
That my heart beats for  
It's your love  
And you're everything that I need  
And ever wanted
