I've tried to let it go

I can't believe it's over  
It's hard to let you go  
Cause I can't sleep at night  
And that's one thing that I know  
I'm not, not over you  
I'm not, not over you  
I don't why it's over  
I don't know where to turn  
I tried to let it go  
And that's one thing that I know  
I'm not, not over you  
I'm not, not over you

CHORUS:

Tell me what can I do  
When I know that we are through  
Can't get you off my mind  
Think about you all the time  
I can't get over you  
No matter what I do  
I'm not, not over you

I know inside I gave it,  
I gave it all I had  
I did all I could do  
And still it hurts me so bad  
I'm not, not over you
