I can't get off my high horse  
And I can't let you go  
You are the one who  
You are the one who makes me feel  
So real, yeah  
What am I supposed to do, baby?  
What am I supposed to do, baby?  
When I'm so hooked up on you  
Then I realize, oh I realize  
That you are somebody else's guy?

Do you remember the times we shared together  
Sharing our days in the sun  
Then I found out that you were somebody else's lover  
After all the plays we made, now I'm shattered 'cause...

CHORUS:

I can't get off my high horse and I can't let go  
You are the one who makes me feel so real  
Oooh, what am I supposed to do when I'm hooked on  
you  
Then I realize that you're somebody else's guy?

That day in September I knew you would remember  
That's when all the stuff hit the fan  
You told me a lie, and you didn't have an alibi  
But baby yeah I still care

Oh I felt sorry that I can't let you go, no, no  
You are the one who makes me feel so real  
Oooh what am I supposed to do when I'm hooked on  
you  
Then I realize that you're somebody else's guy

I didn't realize you were on my mind  
Oh, you're on my mind  
Hey I felt sorry that I can't let you go, no, no  
You are the one who makes me feel so real  
Oooh what am I supposed to do when I'm hooked on  
you  
Then I realize that you're somebody else's  
Somebody else's, somebody else's guy

Yes you are  
You are the one who makes me feel so real  
You were wrong all along  
The things that you did to me  
I didn't realize that you were on mind  
I just can't let you go  
You made me strong  
You were wrong all along  
Somebody else's, somebody else's  
Somebody else's guy  
You were on my mind  
Oh you make me feel oh so real, oh so real
