You should know the way I feel  
I thought you were all alone  
Cause you told me that you missed me on the  
telephone  
Boy I can't explain the way I feel right now

BRIDGE:

You and I have been together for quite some time  
I never knew you were wrong all along  
All I wanna know is

CHORUS:

Why is it that I'm the last know?  
Why is it that I'm the last know?

I have noticed things have changed  
Cause the time we shared together's slowly fading  
away  
I didn't think that you would do this  
How could you have been so cold?  
Thought I'd be the first to know

BRIDGE

CHORUS

Why oh why did I live a lie  
Thought I'd be the only one  
Boy you found another one  
Cause the love shared today  
I thought forever would remain  
You were with somebody else  
You were thinkin' of yourself

BRIDGE

Why oh why oh why did I  
Even have to live a lie  
How could you have been so cold?  
Thought I'd be the first to know

Why oh why oh why did I

Even have to live a lie  
How could you have been so cold?  
Why am I the last to know?

#### CHORUS

You came into my life  
You seemed like Mr. Right  
What you did to me baby,  
See, you're no good for me  
Guess you really didn't give a damn  
I thought you were my man  
What you did to me baby,  
See, you're no good for me

I could never imagine  
You would be with someone else  
And I would be alone
