Let's all get up and dance to a song  
That was a hit before your mother was born  
Though she was born a long, long time ago  
Your mother should know  
Your mother should know  
Sing it again  
Let's all get up and dance to a song  
That was a hit before your mother was born  
Though she was born a long, long time ago  
Your mother should know  
Your mother should know  
Lift up your hearts and sing me a song  
That was a hit before your mother was born  
Though she was born a long, long time ago  
Your mother should know  
Your mother should know  
Your mother should know  
Your mother should know  
Da da da da da da da da da da  
Da da da da da da da da da da da da da da  
Though she was born a long, long time ago  
Your mother should know  
Your mother should know  
Your mother should know  
Your mother should know  
Your mother should know  
Your mother should know
