I'll take a ticket to win the race
Got the keys unlock the cage
Cut the hand that twists my fate
I got a love that never waits
Here comes the jesters all the liars and the thieves
Here comes the bastard tryin' to teach me how to
speak

I am Freedom
I'll last a lifetime
There's nothing like me
I'm a one of a kind

Your breaking in I'm breaking out
Your breathing in I'm breathing out
I am the train that takes you back
Like the sleeve the hides the tracks
I've taken trips from down to Texas to the north of pain
I've seen the good go bad, but the bad gets good
again

I am Freedom
I'll last a lifetime
There's nothing like me
I'm a one of a kind

I am Freedom
I'll last a lifetime
There's nothing like me
I'm a one of a kind

Jesus Christ, American and Elvis Presley are some of
the most rebellions acts in history
In a world that would kill a man for being an individual,
but was created for all to be equal has always cast
down the different
Although history may repent itself, each self is one in
its own, a one of a kind, a rebel
Long live freedom

I am Freedom

I am Freedom
I am Freedom
I am Freedom
