Crack back,
Dog's tail,
House rules,
Rusted nails.

Bare foot,
Cold flaw,
Black bricks,
Lock the door.

Hey, hey
When you call my name
Time to get away, when I hear you say
Hey, hey
Now my bed's been made
I can feel the world as it goes crumbling through my
hand..

Step back,
You don't know me
Step back,
You don't own me
Step Back,
You don't even tell so,
Step the hell away

Step back,
You don't know me
Step back,
You don't own me
Step Back,
You don't even tell so,
Step the hell away

Rip the heart off
Your Sunday's best
Black and blue
Across my chest

Dirty things
On your fingertips
Damn the day

He watched you slip

Hey, hey
When you call my name
Time to get away, when I hear you say
Hey, hey
Now my bed's been made

I can feel the world as it goes crumbling through my
hand..

Step back,
You don't know me
Step back,
You don't own me
Step Back,
You don't even tell so,
Step the hell away

Step back,
You don't know me
Step back,
'Cos you don't own me
Step Back,
You don't even tell so,
Step the hell away

(If you could see my face, it wouldn't make a
difference)

You don't know me, You don't own me
You don't know me, no
You don't know me, You don't own me
You don't know me, no

Step the hell away..

Step back,
You don't know me
Step back,
You don't own me
Step Back,
You don't even tell so,
Step the hell away

Step back,
You don't know me
Step back,
'Cos you don't own me
Step Back,
You don't even tell so,

Step the hell away, now
Step
