Tear into a trip where they dance all night forever
What do you do if you can't get back to heaven?
You like to watch, but you never play
Roll the dice if you're gonna stay
C'mon what you gonna do?
C'mon it's up to you

Take me
Take me
Take me

We're going straight to hell
Straight to hell
Straight to hell
We're going straight to hell
Come along

Yeah we're so alive loaded up and running
Don't it get you high you know you're never leaving?
If it starts, it never stops
Take it all, don't look back
Let's go, nothing you can do
Let's go, nothing to lose

Take me
Take me
Take me

We're going straight to hell
Straight to hell
Straight to hell
We're going straight to hell

We're going straight to hell
Straight to hell
Straight to hell
Straight to hell
We're going straight to hell
Straight to hell
Straight to hell
We're going straight to hell

Come along
