About to fall, would you catch me, catch me no
Nothing at all, would you tell me, tell me why?
Oh, I wouldn't tell you how to live your life
I couldn't show you how to live a lie

You make it hard to understand
You make it hard to lend a hand

Time and time again
Seems so strange
Like you don't even know me
You could have shown me

When I touch
Can you feel anything at all?
Slide it down slow, don't let me
Let me go, no

Time and time again
Seems so strange
Like you don't even know me
You could have shown me

Time and time again
Seems so strange
Like you don't even know me
You should have shown me

Well, you reached up and you opened up the sky, oh
yeah
Like the sunshine, you opened up my eyes, oh yeah
Maybe tomorrow, we'll find our place in time
But for now, this is our last song

Time and time again
Seems so strange
Like you don't even know me

Time and time again
Seems so strange
Like you don't even know me

Time and time again
Seems so strange
Like you don't even know me

Time and time again
Seems so strange
Like you don't even know me
