Taking my time, taking my time - Why?  
Do you feel like you feel when you're all alone?  
Taking my time, taking my time - Why?  
You wanna know how it feels, 'cause you're on your  
own!

Broke down, wasted  
Talking to you, you don't give a damn  
Broke down, face it  
Talking to you, why don't you understand?

I've been waiting so long  
I've made up my mind  
All of this time - Wasted

I've been waiting so long  
I've made up my mind  
All of this time - Just Wasted - Yeah!

Yeah!

Taking my time, taking my time - Why?  
Y'know I gave it all and you wanted more  
Taking my time, taking my time - Why?  
Y'know you're doing it all and you left me bored

Broke down, faded  
My mind's slipping down in sin  
Broke down, jaded  
Ain't no sane inside this skin  
I've been waiting so long  
I've made up my mind  
All if this time - Wasted!

I've been waiting so long  
I've made up my mind  
No More Wasted Time!

Take a shot - You can never, never hurt me  
Take a shot - You can never, never get me  
Take a shot - You can never, never hurt me  
Take a shot!

Take a shot - You can never, never hurt me  
Take a shot - You can never, never get me  
Take a shot - You can never, never hurt me  
Take a shot!

I've been waiting so long  
I've made up my mind  
All if this time - Wasted!

I've been waiting so long  
I've made up my mind  
All of this time - Just Wasted!

I've been waiting So Long \*  
So Long \*

I've been waiting So Long \*  
So Long \*
