Featuring Mike Love

Sum, sum, summer
Well, it's almost summer
Sum, sum, summer
Well, it's almost summer

Suzie wants to be a lady director
And Eddie wants to drive a hearse
Johnny wants to be a doctor or lawyer
And Linda wants to be a nurse

[CHORUS]
Well, it's back to class
Crack your books
No giving the teacher dirty looks
We're growing up little by little
Going through a four year spin'

It's almost summer
Sum, sum, summer
Well, it's almost summertime

Summer's gotta be the time for going
Out to see my favorite group
Cuddling with my honey's hair a blowing
Cruising in a little Deuce Coupe
(Little Deuce Coupe)

[Repeat CHORUS]

It's almost summer
Sum, sum, summer
Well, it's almost summer
Sum, sum, summer
Well, it's almost summertime

[Repeat CHORUS 3x to fade]
