[Verse 1:]

Yea, the verdict fits my crime.
Don't care to lose just scared about my time.
I'm already done, I'm guilty as charged.
I fold this hand so deal me out new cards.

[Pre-chorus:]

Give some time cause I'm worried about myself.
If you don't mind, I'd like to figure it all out... on my own.

[Chorus:]

So here we are and we've been waiting here all this time
And we will give a fuck if we live or we die
Right under these bright city east coast lights
No we're not at home baby we're not at home.

[Verse 2]

C-C-C-Complicated conversation;

"Well you weren't ready and you could have gone to college you know".
But I'm already done, I'm guilty as charged.
I fold this hand so deal me out kid.

[Pre-Chorus 2:]

I've been waiting for this nightmare to end,
And if you please I'd like to wake up and begin to start again.

[Chorus x2:]

So here we are and we've been waiting here all this time
And we will give a fuck if we live or we die right
Under these bright city east coast lights
No we're not at home baby we're not at home.

[Bridge]

[Pre-chorus 2]

[Chorus x2]
