Come! Arise once again! And we together will taste  
A cup of bliss that will be brought by trembling Gods  
before Thy Grace

Just to regain that nights when we as mindless lovers  
couldn't flee  
From spells of Thine that took the top of me when we  
coalesced Thy Art to see

We deceived the death not one time as she in a rage  
scythed the innocent lives  
And we laughed at her, seeing her insane, cause she  
couldn't find us, we had a look of disdain  
But death didn't know all these dark caresses and all  
thy strength that you possessed  
Thy Breath was granted to me with Thy Embraces  
through one cold night I was for Thy Art a Slave to be

Our laugh spread like a furious storm  
Bursting into the rooms of sleeping mortals  
That to fill their hearts with  
Growing horror and soul-iced awe  
And we felt in love again when we took  
The lives of pathetic mortals  
We embraced while the virgin's blood run in my veins  
And by this we were damned by the Gods

And You had come as storm at night  
We made love till death tried us to find  
In demon night Thou showed Thy Art  
But time had gone we've been caught by the light  
Something sharp pierces me straight In my heart and I  
awake  
In my death's embrace I see Thou  
And ask for death to give me time for farewell with  
Thee  
I promise Thee-I shall never let  
Erase them Thee from my heart that I forget:  
"THY JADE EYES THAT DROVE ME MAD  
LIKE JEWELS KEPT IN FOREST HEART  
THY FURY THAT MADE ME THY SLAVE  
LIKE STORM OVER THE OCEANS WAVES

THY TEARS THAT COULD MELT THE HEART  
LIKE PEARLS OF HEAVEN, EDEN'S PART  
THY LOVE THAT TOOK FROM ME MY SLEEP  
LIKE SILVER MOON LISTINING TO HER KIDS  
SINGING FOR HER THEIR HOWLING SONG  
OF THEIR LOST MOTHERLAND WHOM THEY BELONG"
