

## Celestial Crown "Your Touch"

Visit "[Your Touch](#)" on MotoLyrics.com

When the light is fading away, a darkness comes  
A fear of the Night calls the Angels of the Dark  
They fly over me, warning me that You arise  
Then they're gone in her breath silence keeps  
My lonely cries

I'm dying with the deepest wound in my heart  
Pain doesn't go away it stays with me forever  
Love died left me alone in your embrace  
Your cold touch takes me to Your Heaven

Your realm You show me in our flight  
Angels bow their heads when You go past  
Your beauty rules me I'm all yours  
When You talk to me I lust for You more

Behind the gates I was in bliss it's sweet  
The Angels back again to tell me what I really  
Need

Your Kiss is frozen I fall asleep  
Your Face still haunts me in my crypt  
Their words they speak with tongue of mine

"HUMAN LOVE IS NOTHING  
BESIDE HER KISS"

I am forever searching for the rest  
Within Your Bliss

With the first Sun's rays the visions die  
You left me even never said goodbye  
But I will always be waiting for the day  
When You Come  
A beauty of darkness in my heart I carved...  
A SEAL OF THE DARKNESS REMINDS  
ME OF OUR LOVE

Night's gone for a while but I hope to meet  
You again  
Life closed for me left behind forever  
You live in my dreams make me dream again

Of Your Cold Touch Which Takes Me To Your Heaven

[January 97]
