I had to do it
i had to do it
i had to do it... to him

ohhh
I'm sorry for the pain that i caused you
whooh
and im sorry for everything i cost you to lose
i wanted it to last but
but my hopes fell fast
im sorry i treated you like trash

but i...
had to do it
i had to do it
i had to do it to him

You knew it wouldn't last
we went to fast
because we loved eachother
ohhhhh

Im soooooo sorry for th pain i caused you
whoo whoo whoo
i know you hate me
but you shouldn't because i love you hoohoo

i wish i could take it all back
i would never have treated you like crap
and i would never treat you like that
i wish i never left you
oooh
