It's a bird, no
It's a plane, no
It's Superman

Superman, you make me feel
I'm the queen of the world
Superman, you make me feel
So special when you move me
Up and down and round

You get so deep inside and, wow
You warm me up, it's super
Then I wanna shout
Again and again

Superman
I love you, Superman
Do it to me, Superman
I need it, Superman

Superman
I love you, Superman
Do it to me, Superman
I love it, Superman

It's a bird, no
It's a plane, no
It's Superman

Superman, you make me feel
I'm the queen of the world
Superman, you make me feel
So special when you move me
Up and down and round

You get so deep inside and, wow
You warm me up, it's super
Then I wanna shout
Again and again

Superman
I love you, Superman
