Gonlu dusmus bu vatan?n

Toprag?na tas?na

Tac eylemis baht?m?z?

Kederlenmis bas?na

Filiz vermis hayalinde

Kurtulusu ulusun

Ulasm?st?r omurlere

S?gmayacak yas?na

Bir solukta ag?zlardan C?kan hece turk  
That comes out from the mouth in one breath

C?gl?k c?gl?ga Yas?yor seni nice turk  
Out crying

Bir millete can veren Aziz ellerin  
that gave live to this nation

Her gun bin kez opuluyor Yuce ataturk  
Noble Ataturk

Simdi bakar o tepeden Sekli uzak olsada  
Even if it's shape is far away

Taht eyledi gonulleri Art?k sukun bulsada  
Even if he finds a relief

Gunes dogmus karanl?ktan Yurekler birlik olmus

O' nunlay?z icimizde Son bir nefes kalsada  
If we have only one breath

Bir solukta ag?zlardan C?kan hece turk C?gl?k c?gl?ga Yas?yor seni nice turk  
Many Turks will live together with you

Bir millete can veren Aziz ellerin Her gun bin kez opuluyor Yuce ataturk  
People kiss them thousand times a day
