"Be The Man"

I would fight not to ever fall too deep
Never sure that love would grow
Now at night as I lay me down to sleep
I could never let you go

And lying here with you
I still can't believe it's true
Never thought that I would ever find a love
That lasts forever

Be the man that's mine
Find the love that never goes away
Be the heart I know will be
The one that beats for me, be the man

Used to be scared if
I would ever get this close
I'm not afraid to touch you now

Long before I knew
I'd be making love to you
I dreamed that maybe I would one day
Lose myself in someone, someday

Be the man that's mine
I always try to find the love that never goes away
Be the heart I know will be
The one that beats for me, be the man

Take me where I have never been
I will follow you, you'll never be alone
I will run, run to you
I never thought that I would ever find a love
That lasts forever

Be the man that's mine
I always try to find the love that never goes away
Tell me we will always be together
Make us stay in love this way forever

Be the heart I know will be
The one that beats for me

Wherever you may be
Always be with me, be the man
